Explain how you entered into the kingdom of God. (Converted - Born Again - Ascended are all corners of the box)

Colossians 1:13

The Four Winds

Zech 2:

6 Ho, ho, come forth, and flee from the land of the north, saith the Lord: for I have spread you abroad as the four winds of the heaven, saith the Lord.

7 Deliver thyself, O Zion, that dwellest with the daughter of Babylon.

The four winds of heaven = God's people coming out of Babylon. They may understand the Godhead message and the abiding truth but they do not yet have kingdom understanding. This is seen in Zechariah 6:1-8 and Matthew 24:31.

Note the color of the horses in Zechariah 6 coming out from between two mountains (Assyria and Babylon). In Matthew 24 only the ones who suspect a problem with their church will be willing to listen to the sound of the trumpet in order to be gathered together.

These winds strove or gushed forth [1519] upon the (our) sea. Before entering kingdom understanding we have all had our pride, unchanging heart, spots, and been subject to playing God. Our own doctrinal issues have brought this out in us. **All of these beasts are pre-kingdom understanding effects** of the word of God. Mental and emotional impressions created by our definitions of God's word. The first beast to be destroyed is the 4th because it is destroyed with doctrinal truth. A new heaven must be given those who have ears to hear.

The 10 horns seen on the 4th beast = light projected concerning his god (of self) Horn [7161] is rooted in [7160] found first in Exodus 34:29 where Moses face "shone". Hence, horns are rays of light. This beast plucks up 3 of them by the roots = Godhead, abiding truth, and the definition of the sin nature. The beast in Revelation 17 retains his ten horns...never willing to change. Daniel 7 gives us a positive look at the last generation church as we see the Father deliver them from the 4 beasts and give them the kingdom of His understanding.

How we know Daniel 7 and Revelation 4-6 are the same event: The Ancient of Days did sit Daniel 7:9

Daniel 7 describes literal nations only because the nations described have attributes that equate to common man. Verses :10 through :12 are proof enough that this chapter is to be put inward.

- 1) Thousand thousands ministered unto him, and ten thousand times ten thousand stood before him Daniel 7:10
- 2) The books were opened Daniel 7:9
- 3) After saints take the kingdom the truth of the fourth beast will be understood :19.

If they are the same event then we don't begin to understand ourselves until our entering the kingdom. One difference between the four living creatures of Revelation and the beasts of Daniel is that the living creatures are sanctified when they appear in the heavens.
